#### **I-9 Employment Eligibility Verification**

The Department of Homeland Security (DHS) requires that all newly hired employees complete Form I-9 prior to or on their first day of employment. To comply with federal regulations, West Virginia University must examine the employment eligibility and identity document(s) an employee presents. This is to verify that (1) the document(s) reasonably appears to be genuine and (2) the document(s) belongs to that individual. There is a page in this packet titled "List of Acceptable Documents". In order to verify your employment eligibility, you will need to bring with you either one original document form List A or a combination of one original document from List B along with one original document from List C. Only original, unexpired documents are accepted. We will not accept copies of identification. DO NOT use white out anywhere on this form. **Note**: West Virginia University is an E-verify employer. E-Verify is an Internet-based system that compares information from an employee's Form I-9, Employment Eligibility Verification, to data from U.S. Department of Homeland Security and Social Security Administration records to confirm employment eligibility. In order to follow E-verify regulations, all employees must submit their social security number and we cannot accept a list B document that does not contain a photo.

#### **Remote Processing**

If a new employee is unable to process for payroll in person, this packet may be completed remotely. In order to process remotely, the new employee will need to see an authorized representative of WVU to complete the I-9 form. The Department of Homeland Security suggests using a notary public, if available, as an authorized representative. If you are unable to locate a notary public who is willing to assist you in completing the I-9 form, please contact EPS for other arrangements.

You will need to complete all of section 1 of Form I-9. If a box does not apply to you, you must write N/A. This rule applies to all boxes, including the apartment number and other last names used boxes. You must write in N/A as no boxes may be left blank. You also must indicate, under your signature, if you did or did not have a preparer/translator by checking the appropriate box. No white out may be used anywhere on this form. Any error must be marked through with a single line and the change must be initialed and dated.

The responsibility of the authorized representative is to view the employee's identification in person, list the information from the IDs onto section 2 of the I-9 form under the appropriate list (A, or B & C). They would need to fill in the first five boxes listed under the certification to include: signature of employer or authorized representative, date, title, print last name, and print first name. A notary stamp or seal should not be placed anywhere on this form as the notary is acting as a representative of WVU and not as a notary public.

Prior to leaving the office of the notary, please fax both pages of the completed I-9 form to 304-293-4587 for review. Be sure to include copies of your identification as well. Once faxed, please call our office at 304-293-3379 Opt 2 and a member of the EPS staff will review for accuracy. After you have spoken to an EPS staff member, you may mail all completed forms, front and back copies of your IDs, and banking information.

If at any time you have questions about this process, please call 304-293-3379 Opt 2 or email EPS@mail.wvu.edu.

### **General Instructions**

#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505.

Exemption from withholding. You may claim exemption from withholding for 2020 if you meet both of the following conditions: you had no federal income tax liability in 2019 and you expect to have no federal income tax liability in 2020. You had no federal income tax liability in 2019 if (1) your total tax on line 16 on your 2019 Form 1040 or 1040-SR is zero (or less than the sum of lines 18a, 18b, and 18c), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2020 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2021.

**Your privacy.** If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Expect to work only part of the year;

2. Have dividend or capital gain income, or are subject to additional taxes, such as the additional Medicare tax;

3. Have self-employment income (see below); or

4. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

### **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. Step 3 of Form W-4 provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed. such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub, 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2020 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

### WEST VIRGINIA EMPLOYEE'S WITHHOLDING EXEMPTION CERTIFICATE FORM WV/IT-104

Complete this form and present it to your employer to avoid any delay in adjusting the amount of state income tax to be withheld from your wages.

If you do not complete this form, the amount of tax that is now being withheld from your pay may not be sufficient to cover the total amount of tax due the state when filing your personal income tax return after the close of the year. You may be subject to a penalty on tax owed the state.

Individuals are permitted a maximum of one exemption for themselves, plus an additional exemption for their spouse and any dependent other than their spouse that they expect to claim on their tax return.

If you are married and both you and your spouse work and you file a joint income tax return, or if you are working two or more jobs, the revised withholding tables should result in a more accurate amount of tax being withheld.

If you are Single, Head of Household, or Married and your spouse does not work, and you are receiving wages from only one job, and you wish to have your tax withheld at a lower rate, you must check the box on line 5.

When requesting withholding from pension and annuity payments you must present this completed form to the payor. Enter the amount you want withheld on line 6.

If you determine the amount of tax being withheld is insufficient, you may reduce the number of exemptions you are claiming or request additional taxes be withheld from each payroll period. Enter the additional amount you want to have withheld on line 6.

### **NOTICE of West Virginia Health Insurance Marketplace**

This notice does not require any additional action on your part.

The Patient Protection and Affordable Care Act (commonly known as "ACA" or "Obamacare") requires employers to provide information to all employees regarding the availability of the new Health Insurance Marketplace. Enclosed is a formal notice that follows the recommended federal model. We have tailored the second page of the document to include specific information about the availability of health insurance coverage to employees of this institution.

If you are interested in pursuing additional information about the Health Insurance Marketplace, you should follow the directions in the enclosed notice and go to <u>HealthCare.gov.</u> If you visit this website, additional information may be needed to determine your eligibility to participate in the Marketplace, including the following:

- There is no waiting period for health insurance in our system, so if you are not eligible now, you will not be eligible within the next three months unless your employment status changes to meet the definition of "eligible employee" contained in the notice.
- WV Public Employees' Insurance Agency (PEIA) insurance plans do meet the minimum value standard.
- Premiums to participate in the PEIA health insurance plans are based on salary levels, and information regarding the cost is available in the WV PEIA Shopper's Guide at www.wvpeia.com.
- We are not aware of any major changes affecting eligibility anticipated in the coming plan year.

For more information regarding the new Health Insurance Marketplace, please visit <u>HealthCare.gov.</u>

For questions regarding your current WVU employee benefits, please contact WVU Benefits Administration at <u>ACABenefits@mail.wvu.edu</u> or (304) 293-5700 ext. 4.

This notice does not require any additional action on your part.

### New Health Insurance Marketplace Coverage Options and Your Health Coverage

## **PART A: General Information**

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>&</sup>lt;sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

- □ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.
  - \*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.
